

# HERITAGE CALGARY

Heritage Calgary recently sent you a briefing package on heritage in the city, what we do and how we work with Council. If you didn't get it please let us know.

Please take our survey and let us know what heritage means to you and what you will do as a member of Calgary City Council for Calgary's history.

Thank you for your time and consideration. Heritage Calgary wishes you the best of luck on the campaign trail.

Heritage Calgary has put together a one stop resource for you to learn about everything you need to know about heritage in Calgary. This includes how sites are added to the Inventory, how municipal heritage designation works, existing incentives and grants and proposed conservation tools and incentives work including the residential tax credit.

## **What do you know about current heritage matters in the City and within your ward?**

Everything

## **On a scale from 0-5, 0 being not at all and 5 being incredibly, how important is preserving Calgary's heritage to the Ward you hope to serve? Why?**

5 - Incredibly important. For 21 years I have advocated Heritage investment. I along with Cllr King and Farrell brought forward the motion to establish the City Heritage Business Unit and policies.

## **What is your favourite heritage resource in the community you are hoping to represent and in the City of Calgary as a whole?**

Heritage Calgary is who I rely on for research, education, and recommendations on the preservation of heritage sites in Calgary.

Heritage Park is right up there along with Fort Calgary. Former 6th (?) Avenue Firehall.

# **Diane Colley-Urquhart, Ward 13 Candidate**

## **How will you help raise awareness of Calgary's history and heritage?**

My finest achievement was working with Heritage Calgary to get an innovation grant to research our overall history especially during the BIPOC and times we are going thru. There was push back from a few of my colleagues and it had to go thru a few hoops but I got the vote on the end.

## **What importance does heritage have in attracting outside investment and business in Calgary?**

5 - A great deal

## **How do you believe the new proposed property tax incentives will incentivize investment in our city? Will you support the proposed residential property tax credit?**

Yes

## **What ideas would you bring forward in support of heritage in Calgary that are not included in our candidate package?**

As above.

## **Would you like to make any other closing comments pertaining to our city's heritage matters?**

Deep commitment to Heritage and we must reinvest and apply more resources.
