

# HERITAGE CALGARY

Heritage Calgary recently sent you a briefing package on heritage in the city, what we do and how we work with Council. If you didn't get it please let us know.

Please take our survey and let us know what heritage means to you and what you will do as a member of Calgary City Council for Calgary's history.

Thank you for your time and consideration. Heritage Calgary wishes you the best of luck on the campaign trail.

Heritage Calgary has put together a one stop resource for you to learn about everything you need to know about heritage in Calgary. This includes how sites are added to the Inventory, how municipal heritage designation works, existing incentives and grants and proposed conservation tools and incentives work including the residential tax credit.
