

# HERITAGE CALGARY

Heritage Calgary recently sent you a briefing package on heritage in the city, what we do and how we work with Council. If you didn't get it please let us know.

Please take our survey and let us know what heritage means to you and what you will do as a member of Calgary City Council for Calgary's history.

Thank you for your time and consideration. Heritage Calgary wishes you the best of luck on the campaign trail.

Heritage Calgary has put together a one stop resource for you to learn about everything you need to know about heritage in Calgary. This includes how sites are added to the Inventory, how municipal heritage designation works, existing incentives and grants and proposed conservation tools and incentives work including the residential tax credit.

## **What do you know about current heritage matters in the City and within your ward?**

I think it's important to preserve the rich history of the prairies and the families there were here before us. Even though Ward 12 is mostly new development, but before that it was farmer fields and a prime example is the Ollerenshaw family.

## **On a scale from 0-5, 0 being not at all and 5 being incredibly, how important is preserving Calgary's heritage to the Ward you hope to serve? Why?**

5 - Incredibly important. I love history, and would love to learn where we were and how we've come to this point. I think it's important for all to know where or what was here.

## **What is your favourite heritage resource in the community you are hoping to represent and in the City of Calgary as a whole?**

Ricardo Ranch and the Ollerenshaw Heritage Ranch in Mahogany

## **Steven Phan, Ward 12 Candidate**

### **How will you help raise awareness of Calgary's history and heritage?**

Working with industry partners, developers, builders to educate, and raise awareness on the importance of persevering the rich history of Calgarians. Dedicating even some space to what once was there would also help educate the public in letting them know the history on which upon their homes are built.

### **What importance does heritage have in attracting outside investment and business in Calgary?**

3 - Somewhat important

### **How do you believe the new proposed property tax incentives will incentivize investment in our city? Will you support the proposed residential property tax credit?**

Depending on the detail of the property tax incentive I would be interested in learning more and seeing how it could potentially help create new investments. Nothing is off the table at this time since we are in such a pivotal moment of history in our city.

### **What ideas would you bring forward in support of heritage in Calgary that are not included in our candidate package?**

N/A

### **Would you like to make any other closing comments pertaining to our city's heritage matters?**
